- Improves soil removal.
- 4000 rpm motion drastically improves cleaning vs hand mopping.
- Works with 16" & 18" disposable microfiber mops.
- Includes Carry Strap & Handle Trigger.
- Doodle Mop weighs 12 lbs with a 35' power cord.
- 304 non-rusting stainless steel base.
- Easy to clean & maintain.

# Designed for everyday mopping

# Disposable Microfiber Pads

SS P0516DMF

(20 per pack / 12 per case)

\$168.00 per case (70¢ per pad)

Always demo with a great quality  
disposable microfiber.

# 2-Position Handle 3rd is going away

**U.S. Patent No. 10,485,395**

# Battery Powered

Speed! Power! Results! are the same as  
corded units!

# BattMop & BattScrub

---

BattMop has about a 1 hour run time = to about 30 hospital size rooms.

DoodleMops are best with disposable microfiber.

Weighs less than BattScrub.

Optimal results with disposable microfiber everytime

Washable microfiber work as well.

BattScrub has about a 40 minute run time depending on the workload.

The new style carry strap is on the full Doodle line now.

# All new nylon parts

Very  
Quiet

Protects  
push  
button  
switch

The new nylon parts are already standard on the battery tools.

The corded tools will migrate over to nylon as stock runs out.

The new nylon protects the switch from damage.

Nylon is super quiet and chemical resistant.

# Doodle Skate

Durable nylon carry strap  
for easy transport.

Smooth pivoting action  
adjusts to wall contours.

Easy gliding non-marking wheels.

Blue Tile & Grout pad works great  
on tile & grout, baseboards,  
stair risers & more.

# Doodle Skate

Doodle Skate turns the scrubbing action parallel to the baseboard.

# Doodle Deluxe Kits

---

Nearly 45% of all Doodle Scrubs sold in 2019 were shipped as Doodle Deluxe kits.

BattScrub does work with the Doodle Skate.

Battery Deluxe kits are available.

# New Bucket on a Stick

**No more black foam that could not be recycled!**

# Versatility<sup>2</sup> results on all floors
