Dual Scent
You don't have to smell the same fragrance all day. Just insert 2 different fragrances of choice and the Dual automatically rotates the fragrances according ti the chosen setting. Want to make your own fragrance? Select 2 complementary fragrances, change the setting to dual, and the two fragrances combine to deliver one unique aromatic blend.

Space
When set to DUAL (see 3H/6HDual Switch) the HYscent Dual can fragrance a space of up to 600 sq. ft. The installation and placement of the Dual is paramount to achieving maximum coverage.

Lasting Fragrance
HYscent offers refills that last for up to 30 or 60 days. Our fragrance families cater to industry specific needs. For contract service companies, our 30 Day Refill collection caters to the 28 day change cycle whereas our Heritage, Aspirational and World fragrance families cater to the end-user where longevity is paramount and last for up to 60 days.

Color & Style
Designed for today's "gadget conscious" world, the Dual is a welcome addition to any decor. A clear departure from the boxy styling in use today, the Dual stands alone as a tasteful, elegant solution for your fragrancing needs. Duals are available in either WHITE or BLACK, refill cartridges and desktop stands are available in WHITE or BLACK.

Environmentally Friendly
HYscent refills are made from a proprietary medical grade blended polymer infused with natural fragrance and pure essential oils. The absence of propellants and harmful solvents make HYscent refills the "eco" conscious solution for your fragrancing needs. Your customer will smell only pure fragrance oil and NOT propellants and harmful solvents that diminish the character and efficacy of the fragrance.

Versatile
The HYscent Dual can be used anywhere. It is the most versatile of fragrance devices because of its styling and installation options. Mount the Dual on any wall using the provided 3M adhesive mounting pad and secure it against theft using the 4 screws provided or show off the Dual in a more personal setting (reception desk, shelving unit, window ledge) by using the desktop stand (sold separately).
